

Irrawang Public School

Anti-bullying Plan 2020

Bullying behaviour has three key features. It involves the intentional misuse of power in a relationship. It is ongoing and repeated, and it involves behaviours that can cause harm. The NSW Department of Education requires all NSW public schools to have an Anti-bullying Plan which details the strategies implemented to reduce student bullying behaviours.

Resources

The NSW anti-bullying website (see: <https://antibullying.nsw.gov.au/>) provides evidence-based resources and information for schools, parents and carers, and students. Schools are encouraged to visit the website to support whole-school prevention, early intervention and response approaches and strategies for student bullying behaviour.

Irrawang's commitment

Our school rejects all forms of bullying behaviours, including online (or cyber) bullying by maintaining a commitment to providing a safe, inclusive and respectful learning community that promotes student wellbeing. Executive staff are committed to establishing evidence-based approaches and strategies that promote a positive climate where bullying is less likely to occur.

1. School culture and inclusion

All members of the school community are active participants in building a welcoming school culture that values diversity and fosters positive relationships.
